The **South African Viola Society** is a non-profit organisation. The society aims to produce a SAVS magazine bi-annually, as well as 'viola' events, teachers and players workshops, master-classes, concerts, and congresses (local and international).

Our SAVS Magazine will inform members of new publications, sheet music editions, recordings and interesting articles on viola and string teaching, viola playing, viola history and various items and events concerning the viola and violists worldwide. The magazine is provided free-of-charge to members, and advertising space is available at a nominal fee. Contributions in the form of articles are most welcome, and will keep the magazine interesting, to make it a vital form of communication among viola enthusiasts.

Please complete the SAVS membership form below to join, renew, or gift membership. Please feel free to duplicate this form to pass on to prospective new members.
